Description of property at 1926 Maybank:

Located only 4 miles from the Peninsula of Charleston and a mile from the Country Club of Charleston, this rare, gated Lowcountry estate sits on the highest waterfront bluff in Charleston, boasting both amazing views and total privacy. The custom-built 2 acre private retreat overlooking the Intracoastal Waterway was designed by award-winning Architects Dufford and Young. The dream team included Cook Bonner Construction and the renowned Landscape Architect Sheila Wertimer. The impressive views of the waterway overlooking the 45 foot pool and spa can be seen from most of the rooms in the home. The open floorpan with large dining room, sweeping staircase, coffered family room, and state of the art kitchen are only some of the meticulously detailed spaces on the first floor.
