Description

This low maintenance, contemporary one-story home is just right for those who want to spend their time away from work enjoying all that Charleston offers. The large owner's suite is privately located to the right of the main living area for times when a quiet retreat at home is necessary. The owner's bath has a double sink vanity, garden tub and separate shower, and a large walk-in closet. Two guest bedrooms and guest bath are to the left just past the den as you enter the grand foyer into the main living areas with its 15-foot ceilings. Immediately to the right is an open formal dining area followed by the kitchen with breakfast area that faces the landscaped back yard. Refrigerator, washer and dryer, and security system work properly and function as they are intended and are included at no additional cost or value. All built in appliances, and mechanical systems work properly, are functional and included at no additional cost or value.
