Description

Enjoy w/f views of Church Branch Lake from your screened porch in this newly renovated bit of history. This cottage was formerly the old Greeleyville post Office and was moved to its current location. Nothing old about it though! Newly renovated into a split 3br, 2ba home with open living space in between. All linked to the wonderful screened porch on the water side. Need some entertainment?? Walk a few steps and enter into the most adorable man cave/media room ever with a pool table, kitchenette, half bath, fireplace. This home sits on over half acre corner lots. Less than 1 mile to Lake Marion. Great vacation rental, or permanent home.
