Description

New co-ownership opportunity: Own one-eighth of this professionally managed, turnkey home by Pacaso. Ocean Forest is a gracious, light-filled home offering stunning views of the marsh, the ocean and Kiawah and Seabrook Islands. Two levels of front porches complement the home's impressive entrance while more than 3,000 square feet of rear porches offer vast entertaining spaces with ocean views. The elegant living room features a 60-inch linear gas fireplace and a wall of glass doors leading to an elevated pool, spa and travertine sunning deck. The bright chef's kitchen has Cambria quartz countertops and stainless steel appliances. The adjoining dining room offers doors to the porch and an outdoor table. The home has five bedrooms with en suite bathrooms. The spacious primary suite opens to an ocean-view porch and has a spa-like bathroom that includes a tiled wet room with a soaking tub. A 3-stop elevator services the home, which includes a theater room with kitchenette and a rooftop terrace with commanding views. A community boardwalk leads through the dunes directly to the beach, and owners can purchase membership in the Seabrook Club. The home, which was completely renovated in 2019, comes fully furnished and professionally decorated.
