## Description

Don't miss out on your opportunity to become the proud new owner of this meticulously maintained property! Join the sought after community of Riverview Farms and enjoy one of the most conveniently located neighborhoods Johns Island has to offer. This home is only 10 miles from DT Charleston, 15 miles to the beaches of Kiawah & Seabrooke and just a hop, skip and a jump away from the best shops and restaurants around. This home offers an ideal floor plan with its size, flexibility, convenience and openness. The cathedral ceiling and generously sized windows allow for plenty of natural light to flow through this bright and airy floor plan. The downstairs offers a separate dining room OR office and a chef's kitchen, featuring a gas stove top, SS appliances, large pantry and granite countertops with a massive, eat-in island! The kitchen is open to a large dining area and great room which leads you to the rear of the home where a large screened-in porch awaits you. A primary suite rounds off the first floor, which consists entirely of luxury vinyl plank flooring. The primary suite downstairs is as beautiful as it is spacious, consisting of an oversized bathroom with quartz countertops, dual sinks and a massive, walk-in closet! The upstairs has 3 good sized bedrooms, an updated bathroom and plenty of storage/closet space. Don't forget to admire the beauty of the first floor from the large loft area upstairs where the usage possibilities are endless! A nice screened in porch compliments the backyard where a large, wooden fence & gate divides the convenient, common area behind it. This RARE FIND of a house has so much to offer but is missing just one thing to turn it into a home....and that's where YOU come in!
