Description

Under \$200k for a 3 bedroom 2 and 1/2 bath home in Summerville? No Way! Yes indeed. This condo has all new roofing, and upgraded hard surface flooring in the entire home; upstairs, downstairs, and even closets. The home owner has conveniently added some storage underneath the stairwell and has made it very user friendly. Upstairs you will find two great owner suites and downstairs is a nice sized bedroom just off the living space. The kitchen is galley style with an eat-in dining space. There is a well sized living room with a wood burning fireplace. Just out of the entry way is a nice sized patio with a wrought iron gate, and brick privacy fence.
