Description

Brand New Luxury Construction - Move In Ready - No HOA - Desirable James Island! This beautifully designed elevated 4-bedroom, 3-bath residence combines elegance and functionality in a spacious layout perfect for modern living. As you enter, you'll find a flexible first-floor space that can serve as an office or study, adorned with wood detailing. Adjacent to this area is a guest bedroom with an attached full bathroom, providing privacy for visitors or family. The heart of the home features a large, airy living area that seamlessly flows into a bright dining nook surrounded by windows, inviting in natural light and picturesque views. The gourmet kitchen is a chef's paradise, boasting custom cabinetry with ambient lighting, a sprawling island ideal for entertaining, and elegant quartz countertops. Step out of the family room to your large screened-in porch for year-round enjoyment. Heading upstairs, you'll discover a spacious loft area perfect for a playroom, media room, or additional office space. Two generously sized bedrooms each come with walk-in closets and share a stylish bathroom equipped with dual vanities for added convenience. Your serene oasis awaits in the primary suite, featuring a tray ceiling and an expansive walk-in closet with custom shelving. The spa-like bathroom is a true highlight, showcasing both a luxurious shower and a soaking bathtub for ultimate relaxation. This home beautifully blends modern design with functional living, making it perfect for families or those who love to entertain. Don't miss the chance to make this stunning property yours!
