## Description

Welcome to this beautiful 5 bedroom 2.5 bathroom home located on a cul-de-sac lot in the highly sought after Hunt Club neighborhood, so close to the community pool and playground that you can watch your children play while sitting on the front porch enjoying a glass of iced tea. Upon entry, you are greeted with an abundance of natural light flooding through the large windows, brightening up all living areas, along with warm wood floors and tall, smooth ceilings. The spacious living room is perfect for entertaining family and friends while the wood-burning fireplace creates a cozy atmosphere. The kitchen is adorned with recessed lighting, an abundance of cabinet storage space, a pantry, and sleek stainless steel appliances. The main floor owner's bedroom is a relaxing oasis, complete with a tray ceiling, brand new carpet, walk-in closet, and an en-suite bathroom featuring double sinks, a glass-enclosed walk-in shower and separate garden tub. Venture upstairs where the brand new carpet continues and you will find a large loft area that looks over the first floor and is perfect for a cozy reading nook or at home office space. The remaining bedrooms all feature walk-in closets, providing ample storage space for your family's needs. The FROG is great for an additional bedroom, playroom for the little ones, or a home office. Take a step out back and enjoy the view of the fully fenced in backyard from the large screened in back porch, great for indulging in an early morning cup of coffee before getting the day started. Additional entertaining space provided by the back deck affords the opportunity for alfresco dining, or a spot to grill out with friends and family. Sleep easy at night knowing you have a 2 year old roof overhead that also provides great energy savings. This home is conveniently located just a short drive into North Charleston, Historic Downtown Charleston and local area beaches, all of which you will find a plethora of shopping, dining and entertainment options for the entire family.
