Description

This well-designed home offers approx 3,400 sq ft of living space. It features five bedrooms and four bathrooms, providing ample room for a variety of living arrangements. The semi-custom construction and open floor create a welcoming and flexible living environment. The primary bedroom is conveniently located on the first floor, along with a second guest suite while the other bedrooms are situated upstairs, offering privacy and separation of spaces. The gourmet kitchen is a highlight, offering high-end appliances and ample counter space. The loft area adds versatility, allowing for a variety of uses, such as a home office or media room. The detached garage provides convenient storage and parking solutions. With its thoughtful design and variety of features, this home is amazing!!
