Description

Rare opportunity to own an updated 4BR/3BA in Avondale, with a master bedroom on the first floor with 3 large closets, and a beautiful new bathroom. There is an additional BR/office on the first floor. Upstairs you will find 2 additional large BRs that share a bathroom, each with its own huge walk in closet. There is plenty of parking, and a large backyard with ample space to build a garage or to add a pool. Avondale is one of Charleston's most walkable neighborhoods, with many restaurants, grocery stores, schools, churches, bars, etc... within walking distance or on a golf cart, and less than 2 miles to downtown. Greenway is close by, with expected pedestrian bridge to downtown starting construction this year!
