## Description

Welcome to your turn-key home in Downtown Charleston! Upon entering you are greeted by a well sized living room that flows directly into the kitchen. The galley style kitchen features stainless steel appliances, and marble countertops. Additionally, a small laundry closet is provided through a set of bi-fold doors. At the rear of the home is a dining area, with access leading out to the backyard. The master is spacious with a brilliant updated bathroom featuring a seamless glass shower with hexagon marble tiles, designer floor tiles, updated light fixtures & a walk in closet. The additional two bedrooms share a full bathroom with a shower/tub combo, designer floor tile, subway wall tile and shaker style vanity. Sit on the front porch and say hello to the neighbors or settle down in the back overlooking your fenced & very private back yard with a few friends. The backyard provides an exterior storage shed for all your gardening or outdoor storage needs. The North Central neighborhood is close to numerous breweries, restaurants, bars, parks, shops and grocery stores, making it the perfect location for someone who wants to enjoy all Charleston has to offer.
