Description

Discover your own private hideaway in this beautiful second floor condo located at the end of a cul-de-sac, overlooking a pond, fountain, and woods. Stepping in the ground floor doorway, you are greeted by an open, two-story, elegant foyer and stairs. The large living area includes cathedral ceiling, fireplace, custom built-in bookcases, abundant light from large windows, and a screened-in porch. The peaceful screened-in porch is the perfect spot to relax any time of the day. The condo has many charming upgrades, including Sisal (seagrass) floors, which give a wonderful Lowcountry feel throughout the home. Granite counter-tops and stainless-steel appliances compliment the white kitchen cabinets. Walking down the hallway, you'll find two bedrooms and two full bathrooms in this "single-level living" condo. The large primary bedroom includes sitting area and tray ceilings plus two closets. The primary bathroom has both a garden tub and separate shower. There is ample storage in the laundry room and walk-in storage area/pantry. New \$16k HVAC 10/2024. Conveniently located to public schools, shopping, restaurants, the beach, and water activities. Dunes West is a golf and tennis community with sidewalks, walking trails, fitness center, swimming pools and waterpark, plus more. Membership required for golf and/or pools/fitness club. See Dunes West Golf & River Club for details concerning amenities and fees. The gas fireplace is being converted to electric in April 2025.
