Description

NO HOA - READY NOW! Fiber optic option now available! A nicely appointed family room and it's open to the dining room and kitchen. The large island in the kitchen adds to the modern flow of this space which is ideal for families who don't want their cooking and entertaining to be confined to the kitchen. Two bedrooms share a guest bath, and you'll also find a laundry room and plenty of storage on this first floor. The large master suite offers a spacious walk-in closet, dual vanity sink, and a standing shower that is separate from the garden tub. The Newberry II floor plan is designed for home buyers wanting the majority of their living space on the ground floor. Upstairs, this home allows for a large loft for additional entertaining space
