## Description

Tucked away on 1.34 acres of peaceful land, this property is a rare find in Moncks Corner. Grand live oaks provide natural shade, creating a beautiful and serene setting that feels like home the moment you arrive. With no HOA, you have the freedom to use the land as you see fit--whether that means starting a garden, building a workshop, or simply enjoying the privacy and open space around you. At the heart of the property sits a new 2024 manufactured home, thoughtfully designed with both space and comfort in mind. Inside, you'll find an open and airy floor plan with four spacious bedrooms and three full bathrooms. The primary suite is tucked away for privacy, featuring a large walk-in closet and an ensuite bathroom with a dual vanity. The additional bedrooms are generously sized, and a bonus room offers the flexibility to create a home office, playroom, or extra living space to fit your needs. While the setting feels peaceful and private, you're never far from everything you need. Main Street Moncks Corner is just a mile away, putting shopping, dining, and everyday conveniences right at your fingertips. If you love the water, three public boat ramps are just minutes away, giving you quick access to Lake Moultrie for fishing, boating, or simply enjoying the lake life. And with Summerville and the interstate a short drive away, commuting or traveling is easy and convenient. This property offers the perfect balance of space, privacy, and accessibility- something that's hard to come by in Moncks Corner. Come see it for yourself and imagine the possibilities.
