## Description

Step inside and feel the fresh start this home is ready to offer. A crisp coat of bright white paint on the first floor breathes new life into the space, setting the stage for someone to make it their own. The spacious main level is made for gathering--whether it's hosting friends or simply enjoying a quiet evening at home. But the heart of this home? \*\*The elevated, screened-in back porch and deck.\*\* It's magic. With unobstructed marsh views and complete privacy, it's the perfect place to start your morning with coffee in hand or wind down as the sun melts into the horizon. Step down into the yard, and suddenly, you're in your own private oasis. The marsh stretches out before you, peaceful and still, offering a sense of solitude. Back inside, the primary suite on the 3rd level is a true retreat; spacious, airy, and complete with an oversized en-suite bath and walk-in closet. Completing the upstairs upstairs- you'll find three additional bedrooms and a full bath. And then, there's the mother-in-law suite-a hidden gem on the ground level. Built per the original plan, this space is more than just a guest retreat. With its own private covered porch, a bubbling hot tub, and glass doors leading outside, it feels like a getaway within the home. A full bath and separate entrance make it perfect for guests, extended family, or even rental potential. Thinking long-term? You're covered. A closet is already prepped for an elevator shaft, ready to take you from the ground level to the first floor whenever the time comes. And to top it all off a brand-new roof, installed in March 2025. This home is ready for its next chapter. The only thing missing is you!
