Description

Want to feel like you live in the country and yet have the perks that a premier subdivision has to offer? This beautiful one story home has a large open floor plan with 12 ft ceilings in the living area, and a view right out the wide doors to the expansive backyard that backs up to green space. This end of the street is quiet and gets very little traffic. The screened porch can be accessed through either the living room or master bedroom. The master bedroom is off to one side with a private ensuite. The other 3 guest rooms are on the other side of the home and one of them also has an ensuite. The living area has a gas fireplace and beautifully maintained wood floors. There's a cozy fire pit area for 9 people in the backyard right off the backporch. New roof installed 2022.
