Description

Welcome to this updated tri-level town home in Bolton Landing, a sought-after West Ashley neighborhood filled with mature trees, ponds, sidewalks, and trails. With parks, a fire pit, and a community pool, this location offers both convenience and a natural setting. Situated between Hwy 17 and Bees Ferry, you're just minutes from everyday essentials like Harris Teeter, Starbucks, and Walmart, as well as outdoor destinations like J.P. Limehouse Boat Landing and Stono River County Park. There's also the K-8 Carolina Voyager Charter School right at the neighborhood entrance. This home features two bedrooms, each with a private en suite bath and a walk-in closet. The main living area is open to the kitchen, separated by a breakfast bar. The kitchen features granite counter tops, newly painted cabinets, a center island, pantry, stainless appliances, and an eat-in breakfast area. This home has great views, one from the covered balcony off the living room, and the other in back from the screened porch. Each provides a great spot for your morning coffee, or a place to unwind in the evening. On the first floor, a flex room with a half bath and closet offers endless possibilities. Use it as an office, home gym, guest suite, or playroom. The 1.5-car garage includes a workbench and a garage door opener. Parking is never an issue with a long driveway and overflow parking just across the alley. This home has a fresh, modern feel with new LVT flooring throughout and fresh paint everywhere: walls, ceilings, kitchen cabinets, handrails, and garage. If you're looking for a low-maintenance home in a prime location with plenty of natural beauty, this is it!
