Description

Welcome to your dream home on Pickwick Street in the highly sought-after Charlestowne Estates neighborhood! This beautiful single-story brick ranch, built in 1962, offers 3 spacious bedrooms, 2 bathrooms and 1,726 square feet of comfortable living space on a generous .29-acre lot. Live free of typical restrictions in the area with no HOA and an X flood zone, so no flood insurance is required, while being zoned for St. Andrew's School of Math and Science. In 2022 the HVAC and ductwork were completely replaced and 2018 saw almost all new windows. This prime location allows for an easy walk to a brewery, gym, shops, parks and the historic Charlestowne Landing, with Starbucks and other shopping options nearly next door. The home features an oversized 2.5-car garage with a half bathroom, pull-down ladder attic access and ample storage space. An irrigation system with a Rain Bird control panel and an irrigation well ensures the impressive backyard and mature landscaping remain lush and green. You'll find generously sized bedrooms, including a master bedroom with dual closets. A cedar closet adds a touch of luxury and practical storage space. This home truly embodies the best of West Ashley living and is only a 10-minute drive to downtown Charleston.
