Description

Lowcountry living at its finest! This elevated 5 bedroom 4 bath home offers stunning views of the lake. On the first floor you will find a formal living room that can also be used as an office, formal dining room, family room, eat-in-kitchen, primary bedroom along with an additional bedroom. Off the kitchen you will find recently completed sunroom with access to spacious deck with stairs down to your backyard paradise with large travertine patio and gorgeous pool overlooking the lake. On the second floor you will find 3 additional bedrooms along with 2 bathrooms. Down in the lower garage level you will find plenty of space for an exercise space, game room, or just extra storage and still have ample room to fit your automobiles. Windows in the home were all recently replaced.
