Description

Step into luxury with this one-of-a-kind, elevated new construction home, thoughtfully designed to blend sophistication with serene natural surroundings. Nestled in the back of the neighborhood, a wooded lot with wetlands at the back, this home offers unmatched tranquility and a connection to nature, all while being just minutes from Downtown Charleston. This home is an entertainer's dream with a spacious open concept design that flows seamlessly from room to room. Offering 4 bedrooms and 4.5 bathrooms, every space is designed for functionality and elegance. The chef-inspired kitchen with high-end finishes is perfect for family meals or hosting friends, while the expansive living and dining areas boast ample natural light and breathtaking views of the surrounding nature. This home has the option to install an elevator that provides easy access for all generations. The luxurious primary suite is a true retreat, complete with a spa-like en suite bathroom, and a spacious walk-in closet. Each additional bedroom has its own full bathroom, ensuring comfort and privacy for family and guests. Whether you're relaxing on the front porch, enjoying a peaceful morning on one of the back porches, or relaxing in front of the fire, this property offers the best of indoor-outdoor living. The option to install an elevator provides easy access for all generations, making this home as functional as it is beautiful.
