Description

Step inside paradise on Daniel Island's Parkside with social club access and feel the island breezes from multiple porches. A large entry foyer invites you to gracious entertainment and family space with a flow from living, to dining and into open concept kitchen, family and breakfast room spaces. Upstairs you will enjoy a private sanctuary with a luxurious master suite adorning a large walk in closet, large bath and direct access to the second floor piazza. Three additional bedrooms, 2 baths, laundry room and flex space complete the second floor. Guests will enjoy the "bungalow" detached space which feels more like a vacation than a typical guest suite and is accessed by a raised porch on the main living level. Island life would not be complete without two exterior spaces a fenced backyard with room for a pool and large side yard to entertain under the mossy grand oak. The tropical landscape which adds endless privacy will sure to please even the most discerning "green-thumb"
