## Description

Opportunity & Potential in central Goose Creek! Here's your chance to own a well-built, single-level brick ranch in the established Foxborough neighborhood--ready for your personal updates. With 3 bedrooms, 2 bathrooms, and a large sunroom, this 1,424 sq ft home sits on a spacious 0.38-acre lot with no HOA. Recent updates include vinyl-frame windows (2015), roof (2023), HVAC system (2024), and gutters. All kitchen appliances convey, including the refrigerator. A living/dining space features a large brick wood-burning fireplace with glass doors, a folding screen, and a wood mantel. The sunroom, approximately 20' x 12', offers even more "living" space and is not included in the listed square footage. The fully fenced backyard backs up to a wooded buffer, providing privacy and room to relax or entertain. A wide driveway offers ample parking. This home has already been pre-inspected and is being sold as-is (inspection report available). Foxborough offers a central location close to shopping, dining, and commuting routes. Plus, you're just 3 minutes from Central Creek Park. Goose Creek's premier community gathering space with a large playground, open green space, walking trails, shaded seating, and a pavilion for events.
