Description

Peacefully nestled among mature trees and overlooking a serene pond, this custom two-story home in Park West is a true Lowcountry gem. A brand-new roof (installed last week!) and professional landscaping enhance the picturesque curb appeal, while the charming front porch and screened-in back porch offer the perfect spots to unwind and take in the tranquil setting. Step inside to an inviting great room featuring soaring two-story ceilings, a cozy fireplace, and expansive windows that flood the space with natural light. Thoughtful architectural details--such as elegant archways, built-in bookshelves, tray ceilings, and rich hardwood floors--add character and charm throughout. This thoughtfully designed home offers two front rooms currently serving as a stylish dining room and a home office. The spacious owner's suite upstairs is a private retreat, complete with a tray ceiling, two walk-in closets, and an en-suite bath featuring a dual vanity, walk-in shower, and a relaxing garden tub. There are also 3 additional bedrooms upstairs so plenty of room to spread out. Enjoy the privacy of the pond views behind the home and take in the natural beauty the Lowcountry has to offer. Park West offers an unparalleled lifestyle with incredible amenities, including two swimming pools, a tennis center with multiple courts, volleyball, a playground, and scenic walking trails. With its exceptional location, breathtaking views, and impressive features, this home is a must-see!
