This open floor plan has a large eat-in kitchen, a generous size family room and a comfortable sitting area with a custom window seat in front of the large picture window. Many renovations have been completed to this charming and well-appointed home. A few extras to mention: the horseshoe driveway, the abundance of mature landscaping (including Camellias, Azaleas, Crepe Myrtles, Roses, Confederate Roses and Live Oaks to name a few) and the Energy Efficient Solar Panels for low utility bills. Location is everything and this home is centrally located near downtown Charleston, I-526, shops and restaurants. Schedule your appointment to take a look at this Low Country Gem.
