## Description

Well-appointed Dunwoody Way home featuring 3 bedrooms, 3 full baths, and home office, and overlooking a uniquely private backyard with both lagoon and wooded berm views. Two-full garage spaces and an extra Golf Cart Garage, plus lots of useful closet space inside provide incredible storage opportunities. Hardiplank siding and a brick skirt accent give a welcoming curb appeal. Stepping inside, you'll find laminate wood floors throughout all the living areas and bedrooms - NO CARPET IN HOME! An oversized French door office and Guest Suite with en-suite bath sit off the foyer entryway. Step into the heart of the home to find a luxury island kitchen with soft closing white and gray cabinetry with double tray pull out storage, quartz countertops, custom tile backsplash, KitchenAid appliances with a five-burner gas cooktop, built-in wall oven and convection microwave, and direct vent cabinet hood, under-cabinet and custom pendant lights, and spacious corner pantry. A large eat-in kitchen/dining area and living room sit adjacent to the kitchen, making a great entertainment space. Crown molding and Hunter Douglas woven wood shades provide touches of elegance throughout. The oversized Owner's Suite features an en-suite bath with 12x24" tile floors, a double sink quartz vanity, walk-in tile shower with built-in bench and frameless shower door, and a large walk-in closet. A third bedroom sits down a private hall with close proximity to the third full bath, which includes a walk-in tile shower. A storage closet with built-in shelves and spacious laundry room with included Electrolux front loading washer & gas dryer finish off the interior spaces. Step outside to find the large screened-in porch, separate patio space with gas grill connection line, enhanced landscaping, and fenced-in yard. You'll love the private views of a lagoon with lighted fountain and landscaped berm. Be part of the Charleston and Summerville area's premier Active Adult community, Del Webb Nexton.
