## Description

Close to I-526 & downtown Charleston. Welcome to this delightful 4-bedroom, 2.5-bath ranch nestled on large lot with majestic oak trees. 2 car garage and new storage shed hard to find! Plenty of outdoor space & screened porch. Notice the curb appeal & the newly installed metal roof which looks great & ensures durability for years to come. The attached, oversized two-car garage provides ample space for vehicles, & there's an extra storage shed in the backyard with power that can serve as a workshop or additional storage space. Step inside to find a home with great space! Kitchen has a gas range, granite countertops, stainless refrigerator, & pantry. Gas tankless water heater so you'll never run out of hot water. The home is move in ready & there's still room to add your personal touches.
