Description

New construction in the upper part of the peninsula of Charleston. Just off King Street Extension. Wonderful family home in the Silver Hill Magnolia Community. The open floor plan has living/dining/kitchen area with large island. Upstairs is the primary suite, with master closet and dual sinks in the bathroom. There are also two other bedrooms with a full bathroom on the second floor. There is also a laundry room just at the top of the stairs. Off-street parking and a one-car garage in downtown Charleston make this an ideal place to call home.
