- Traditional

Description

One of the biggest homes in Sangaree. Perhaps one of the best? You decide. High, well-treed lot that one can enjoy from the wide-shady front porch or the breezy screen porch at the rear of home. Two car garage. Lots of room for parking cars or toys. Interior plan has good flow with dining area with easy access to updated kitchen that overlooks family room that's a great blend of traditional design with more modern touches. Built in shelving flanks fireplace with cool shiplap accents. Bedrooms are upstairs. Primary suite is ample and seems even larger with vaulted ceilings. En suite bath features separate tub and shower, walk-in closet and double vanity sinks. FROG is fourth bedroom, or could be used for variety of other purposes. Back yard is fenced and features paved space just off the screened porch. Perfect for grilling. There is also a storage outbuilding and an above-ground pool. Sellers have done a cosmetic refresh of interior including new carpet upstairs, painting touch up, and new screens on screened porch. Sangaree is a low-reg neighborhood, and Trestlewood is a low-traffic street. Enjoy proximity to all that Nexton has to offer without paying Nexton Prices.
