Description

Situated on 1.6 acres, this 2018 ranch home is the ultimate retreat. The main house offers 3BD/2BA, an open floor plan, LVP flooring, a custom kitchen with gorgeous wood countertops, and spacious porches. A separate 2BD/1BA apartment over the detached garage provides multi-generational living or rental potential. Just imagine floating down your own lazy river on a hot summer day under swaying palms, pina colada in hand, then as the sun sets, grab a bag of popcorn and unwind in your private garage theater. With tons of paved parking, a 2-car garage, and an additional detached garage, storage is endless. A true entertainer's dream--no vacations needed - invite everyone!
