Description

Drive up the azalea lined driveway to your beautiful country estate on 4.43 acres. The one-story boasts a full front porch for sipping sweet tea and sharing neighborly news. Hardwood floors are throughout the kitchen, living room and foyer. The kitchen features solid surface counter tops and a gas stove. This home boasts 2 owner's suites, each with private bathrooms and walk in closets. There is a large Florida room. You can open the sliding doors & let the cool spring air in and enjoy the view of your beautiful and private property. The detached garage was built for a mechanic w/ ton of storage. Above the garage is a 2 BR, 1 BA apartment. I am in love with the large fenced in garden & streams surrounding the property. To top it off, there is an enclosed heated swim spa. Welcome Home!
