Description

It's all about the return of investment for me and this investment is screaming endless possibilities! Buy, flip, resell. Buy, renovate, rent it out. Buy, renovate, and call it home. You choose the path to take. Over half an acre in the desirable Cordesville community this home is what we like to call convenient. Enjoy the peace and quiet being surrounded by nature and forest, all while conveniently located just 15 minutes from the town of Moncks Corner equipped with stores and restaurants. 5 minutes from the boat landing, putting you in the beautiful Cooper River and 30 minutes to Mount Pleasant for fine dining and shopping. In the middle of it all but being able to always come back home to the peace and serenity of country living. Home needs a little TLC and is being sold as-is.
