Description

Welcome to the highly coveted Forest Trail neighborhood on Isle of Palms. Whether you're looking for a second home beach house or a full time family residence, this property defines turn key. This 4 bedroom 3 bath, elevated home is available for the first time since its renovation in 2021. At that time the home received a full remodel of the interior and exterior space, a brand new 5V metal roof, Viwinco impact rated casement windows, new plumbing, electrical, commercial appliance package, tankless water heater (Rinnai), and HVAC. The house is wired for sound and security with speakers in the master, kitchen and loggia porch. The interior, hardwood floors throughout, includes an office, playroom/den, dining nook, and a large open floor plan.
