Description

This beautifully designed 2,301 sqft, 3-bedroom, 2.5-bathroom home offers a perfect combination of elegance and functionality. Located in the desirable Oakfield subdivision on Johns Island, it features an open-concept main floor with a spacious living room, dedicated office space, and a stylish butler's pantry attached to a beautiful open kitchen --perfect for entertaining. A convenient half-bath is also located on the main floor. Upstairs, you'll find a generous primary suite, overlooking the pond, complete with a large walk-in closet and an updated en-suite bathroom featuring modern finishes. Two additional bedrooms share a full hallway bathroom, and a large flex space provides endless possibilities for a second living area, playroom, or home gym. The laundry room is also conveniently located upstairs for added ease. Step outside to an impressive, fully landscaped backyard retreat, featuring a covered outdoor kitchen, a cozy fire pit, a putting green, and a spacious patio making it the perfect space for relaxing and entertaining year-round with many thoughtful upgrades and a well-designed layout. This home is a must see.
