Description

This cute one-bedroom condo offers the perfect blend of location and tranquility. The highlight of this home is the screened porch, which overlooks a beautiful Magnolia tree--an inviting view you'll enjoy as soon as you step inside. Features include a large kitchen with granite counter tops, walk in laundry room, and an open living area. The bedroom features a walk-in closet and an ensuite bathroom, thoughtfully designed for both personal and guest use and privacy. The pet-friendly community is packed with amenities, including scenic walking trails, easy access to the Greenway, a large pool with a clubhouse, fitness area and a business center--all right at your fingertips.
