Description

Don't miss this rare opportunity to own a brand-new, never-lived-in elevated townhouse with breathtaking pond views in Liberty Hill Farms! This is the last available unit, as all other townhomes have been sold out. The open-concept floor plan effortlessly combines modern design with southern charm, creating a truly exceptional living space enhanced by the soaring 10-foot ceilings on the main floor. The gourmet kitchen features a tiled backsplash, high-end Monogram appliances, including a 5-burner gas cooktop and wall oven, quartz countertops, upgraded cabinets with an integrated hood, and a farmhouse sink overlooking the living room. The screened-in porch provides peaceful views of the pond, offering a perfect spot to relax and unwind. Upstairs you will also enjoy the views from the large primary suite, complete with a sleek bathroom and walk in closet. Beneath the home is a spacious 4-car garage with ample storage, which opens onto a ground-level patio just steps from the neighborhood walking trails, pond, and amenities. For added convenience, the home is prepped for an elevator installation, and lawn maintenance is covered by the regime fee. Situated in the highly sought-after area of Mount Pleasant, this home embodies the best of Lowcountry living. You'll enjoy easy access to beaches, shopping, dining, and entertainment, all while being surrounded by the natural beauty that makes this region so special!
