Step inside where you'll find a study cased with French doors and a formal dining area. The kitchen features a large L-shaped island with upgraded cabinets, quartz countertops, subway backsplash tile, stainless gas range, dishwasher and built-in microwave all open to the breakfast nook and family room. There is a bedroom and full bath perfectly situated on the first floor for those who prefer not to climb stairs. Journey upstairs to find 3 spacious secondary bedrooms, laundry room and bathroom. The luxurious master suite offers an enormous bedroom with double doors, large walk-in closet and bath with dual sinks, soaking garden tub, ceramic tiled shower and private water closet. Climb to the third floor where you'll find an open loft, another bedroom and full bath. Some other amazing features include screened porch off the breakfast area, luxury vinyl plank floors throughout the main living areas of the first floor, tiled bathrooms and laundry. This is one of our most popular plans so don't miss out! The Fulton is estimated to be complete in September 2024.
