Description

Welcome to this stunning home, 231 Archibald Drive. This four-bedroom home, situated on a double lot, was designed and lived in by the developer of Laurel Hill, making sure no detail slipped through the cracks. As you step through the front door, you're greeted by a grand foyer with soaring ceilings and natural light. Host your loved ones this holiday season eating dinner in your private dining room, and enjoying each other's company in your family room or living room. The soaring ceilings continue as you step into the living room, adorned with a beautiful marble fireplace. The flow between the living, dining, and kitchen areas makes it perfect for entertaining, whether you're hosting a dinner party or enjoying a quiet evening at home. The open kitchen is a chef's dream complete with modern appliances, and plenty of cabinetry for all your storage needs. The adjoining living areas make for easy access to grab a late night snack or popcorn for movie night. Step outside to the screened-in porch, where you can enjoy the outdoors without the worry of those pesky mosquitos. It's the perfect space for morning coffee, evening cocktails, or cozying up with your favorite book. On the first floor, the primary bedroom offers a tranquil retreat, with plenty of space for a king-sized bed and additional seating. Unwind in the primary bath, where you'll find a deep soaking tub, a separate shower, dual vanities, and ample counter space. As you walk up the grand staircase, you'll find that the home features three additional sized bedrooms, each with spacious closets, and windows that fill the rooms with light. These bedrooms can easily host guests, or even be created into a home office or gym. This home is unique, as it is placed on a generous double lot, creating an expansive front and side yard. Step through the white picket fence, into your backyard that's ideal for gardening, entertaining your neighbors, or simply relaxing in the warm Charleston sun. Take your loved ones down to the neighborhood dock, where you can spend time catching fish and have access to put your boat in the water for a sunset cruise. Be sure to head over to the neighborhood playground while you're down there too! Don't miss your chance to own this incredible home.
