## Description

This completely renovated two-bedroom unit offers a turnkey, lock-and-leave opportunity in The Renaissance on Charleston Harbor. This central location offers the best of Mount Pleasant living - just minutes to downtown Charleston, walking trails, golf, shopping, restaurants and beaches. A secure semi-private elevator whisks you directly from the lobby or garage into your unit's vestibule where you will be greeted by freshly painted walls and brand new wide-plank white oak flooring. The open living and dining area is bathed in natural light from floor-to-ceiling window panels which have been recently fitted with custom louvered panels. Sliding glass doors provide access to the wrap-around balcony where you can enjoy harbor breezes and views over the building's lush landscape and the Ravenel Bridge beyond. The kitchen has been beautifully remodeled with neutral marble tile floors, quartz countertops, new appliances and a backsplash boasting elegant, glazed tile from the counter to the ceiling. A comfortable sitting room extends from the kitchen with a wall of windows, and a marble tiled wall with a built-in TV and electric fireplace. A secondary balcony off the kitchen's sitting room offers another space for enjoying the Lowcountry's outdoor lifestyle. From the main living area, there is a vestibule leading to the spacious primary suite, which is large enough to accommodate a private sitting area or desk. The well-appointed bath features marble tiled floors, a huge marble and glass shower, separate soaking tub and double vanity topped with new quartz counters. An enormous walk-in closet offers more storage space than you will find in most condominiums. A second bedroom with en suite bath off the foyer provides a comfortable place for guests or a flexible office space that is private from the main living area. A laundry room and powder room are also located off the foyer, with a trash chute conveniently located just outside the rear service entrance. The Renaissance is a well-managed building and boasts some of the best amenities of any building in the Charleston area, including a large saltwater pool, well equipped gym and a fantastic clubroom for resident use. The property has a library and sitting area off the lobby, and guest suites that offer a convenient place to book your guests for far less than local hotels. Don't miss this opportunity to live in one of the most sought-after buildings in Charleston!
