Description

Welcome to this affordable 4-bedroom, 2-bathroom home! Whether you're looking for a starter home or an investment opportunity, this property offers great potential. The following items are new in the past 12 months: Roof, HVAC, Vinyl siding, Plumbing, paint, windows and more. * The current tenants have made the dining room (across from the living space) into bedroom 4 but they are required to turn it back into a dining room prior to moving out. The home itself features spacious living areas, generous-sized bedrooms, and a functional layout. The home includes a cozy kitchen, a comfortable living room, and a private backyard perfect for enjoying outdoor space. The two bathrooms offer convenience, and with some updates, this home can truly shine. The current homeowner will add the following items to the home prior to closing. Mirrors in the bathrooms, handrails on the stairs, some exterior paint around the doors and more!!! It will be basically new. Of note there is hardwood floors under the LVP.
