Description

This stunning home features a primary bedroom on the first floor, two generously sized guest bedrooms upstairs, and a versatile room on the main level that can serve as a 4th bedroom or office. The open-concept design features a living room with soaring two-story ceilings, creating a bright and airy feel. Upstairs, you'll find a large loft perfect for extra living space, and an oversized attic for all your storage needs. Outdoors, relax in the screened patio with an extended slab, perfect for entertaining. The shaded backyard, surrounded by trees and natural growth, provides a cool retreat during Lowcountry summers.
