Great opportunity to own a perfect slice of the Lowcountry. This welcoming, coastal cottage has a fantastic layout and is situated in the heart of Mt. Pleasant. As you approach, you'll notice the oversized columns, custom, farmhouse-style shutters and a deep front porch with room for a swing or rockers. Upon entry, you'll find a spacious great room with wood floors, tray ceiling and wood-burning fireplace. This space flows into the dining room which has room for a large table and ample seating. The kitchen is next, with white cabinetry, granite counter tops, updated lighting and a counter-height bar. The functional space of this home is very generous for its size, with a full laundry and oversized walk-in pantry. The owner's suite has a large walk-in closet and en-suite bath.
