## Description

Welcome home to this incredible marshfront retreat in the desirable Country Club section of Rivertowne!! Elevated construction benefits from incredible marsh and golf views over the 9th tee box of the Signature Arnold Palmer course. The welcoming wrap-around front porch leads into a formal dining and living room with architectural accents that reveal careful planning and attention to detail. Triple crown molding, French doors and an onyx surround gas fireplace all say "elegant." Move through the French pocket doors into a magnificent, natural -light filled great room with a soaring two-story coffered ceiling and a unique, full walk-around second floor balcony. The gourmet kitchen has upscale stainless steel appliances featuring a six burner, double oven, dual-fuel Wolf range. The extra deep kitchen counters and center island provide an abundance of workspace with kitchen cabinets that extend down to the counter tops for easy reach. A full pantry has additional storage and countertop space. The first floor master ensuite has a vaulted-ceiling bedroom, walk-in closet with custom shelving and a luxury bath with an oversized seamless glass walled multi-spray shower. The 300 sq ft screened-in sun porch and lower back deck (200 sq ft) can be accessed from the kitchen, great room and master bedroom. (Ideal for that first cup of coffee or a bedtime nightcap!) The upstairs has three bedrooms, a Jack 'n' Jill bath and an additional full bath. The spacious upstairs loft is perfect for an office or used as additional family space. The 20'x15' upper deck with unobstructed 180 degree views is made for watching the July 4th fireworks displays from all around the Lowcountry! This is truly one of Rivertowne's finest homes!
