Description

Welcome to 28 Gordon Street, a rare opportunity to restore and reimagine a 2-bedroom, 1-bathroom home in the heart of Wagener Terrace. This property needs a complete rehab, making it the perfect project for investors, builders, or homeowners looking to create a custom home in one of Charleston's most sought-after neighborhoods. The unfinished second floor offers the potential to expand the square footage--ideal for adding a spacious primary suite with an ensuite bathroom or additional living space. The large backyard provides even more possibilities, whether it's adding an Accessory Dwelling Unit (ADU), a workshop, or a garden retreat. Located on a quiet street just minutes from Hampton Park, downtown Charleston, and popular local restaurants, this property is full of potential. Sold as-is. The seller will make no repairs. Don't miss this incredible opportunity--schedule your showing today!
