There is a large den/office space off the foyer that has its own private screened porch. The master suite offers a vaulted ceiling, dual vanities, large walk-in shower, soaking tub, and his and her walk-in closets. The back of the home is designed as a large gathering space with a high vaulted ceiling that incorporates the kitchen, living, and dining spaces that flows out to a large screened porch with fireplace and plenty of room for outdoor dining. The kitchen is surrounded by windows and features a farmhouse sink, large island, and its own walk-in pantry. A large laundry room and powder room complete the main level. The second floor features stained white oak flooring which highlights the shiplap walls. Two guest bedrooms share a hall bath and the third bedroom has an en suite, vaulted ceilings, and a loft space.
