Description

Slip F-24 is 45ft x 18ft and can accommodate a 45-foot boat in the premium Harborage at Ashley Marina. The marina comes equipped with IPE docks, premium electrical with 30 and 50 amp services to the slips, water service, wi-fi access, dock house and other first-rate amenities for each individual owner. With off-street parking and easy access to all that historic downtown Charleston has to offer including close proximity to MUSC, Roper St. Francis, C of C and the newly developed West Edge this marina provides everything a boat owner desires. Currently there is a long-term reliable tenant and if interested the rental can continue or vacate in 30 days
