Description

THE FINISHED DOWNSTAIRS MAKES THIS HOUSE THE LARGEST IN THE NEIGHBORHOOD! The Kensley Plan's inviting foyer opens to a spacious open concept plan with a well-equipped kitchen that features a large center island, plenty of cabinet and counter space, a walk-in pantry and is adjacent to the dining area for entertaining. The main floor primary suite is highlighted by its spacious bath with a walk-in closet, dual vanity and glass-enclosed shower. As you enter the 2nd floor you'll notice the enormous flex spacious that is perfect for an entertainment area, office space or a kid's play area. There are 3 spacious bedrooms upstairs with one being an en-suite for privacy, making it perfect for guests. The seller has finished the 400 square foot room off of the garage completely with a wet bar, refrigerator and min-split AC unit making it an excellent space for entertaining guests and family. Just off of the finished room there is a hardscaped patio for grilling and yard access. The garage is a 2-car attached and the garage floor has been treated with decorative epoxy for aesthetics and there is lots of room for storage and equipment. The elevator in the house will access all floors. The seller has also had the house outfitted with plywood storm panels with the hardware in place. This house has been lived in very gently and immaculately cared for during the seller's ownership. Pool table covens.
