Description

Custom Lowcountry home with ocean views one block from the beach. Estimated completion Spring 2025. This contemporary coastal design has a large back porch and outdoor fireplace overlooking an in-ground swimming pool. The 5 bedroom design is ideal for personal use or to provide substantial rental income. Luxury finishes include quartz countertops, custom cabinets, professional grade appliances, boutique lighting, 7 inch wide plank hardwood flooring, shiplap accents, and designer tile. The kitchen opens to the great room with views out over the large patio and beyond to the pool. The downstairs master suite features dual vanities, a free standing tub, his and her walk in closet, and oversized shower. Enjoy morning sunrises from your personal balcony off of the master bedroom. Another guest bedroom and full bathroom are located on the first floor. Three additional bedrooms each with en-suite bathrooms are located upstairs. Kids can pile into the bunk room and enjoy the second family room. The in ground pool area has a garage door for easy access to an optional ground level entertaining area. This builder has built over 50 contemporary Lowcountry beach homes for clients in Isle of Palms. Interior finishes and appliances can be completely customized.
