## Description

This lovingly maintained two-story Charleston single-style home in the heart of Harleston Village sits just moments away from Cannon Park. Renovated entirely in 2010, it now highlights an inviting open layout on the first floor, adorned with stunning pine flooring and lofty 12-foot ceilings. Alongside a spacious living area, dining space, and well-appointed kitchen, the first floor also hosts a convenient home office, sizable pantry, storage area, powder room, and coat closet. Upstairs, the primary bedroom grants access to a charming porch, complete with its private bathroom and a generously sized walk-in closet. Two additional bedrooms on this level share a bathroom and laundry closet. Outside, the driveway easily accommodates three to possibly four vehicles, while the fenced yard offers privacy on three sides.
