Description

Are you looking for a low maintenance ground floor condo in one of the most convenient locations that Charleston has to offer? Look no further! This spacious and FULLY UPDATED 3 bedroom, 2 full bathroom unit lives extremely large with it's wide open floor plan! The entire unit was recently painted and had new LVP flooring installed throughout, but the biggest draw is the massive kitchen which was just updated with new shaker style cabinet doors, brand new stainless appliances, gorgeous white quartz countertops, and champagne bronze hardware! Each bedroom is very large and has ample closet space, with the Owner's bedroom having a massive walk-in closet with custom built-in shelving! You'll also love the separation between the owner's suite and the other bedrooms. Both bathrooms are updated, as well, and all appliances convey, making this unit truly move-in-ready! Carolina Cove is convenient to all that Charleston has to offer, located just outside of 526 with easy access to Downtown Charleston, the CHS Airport, West Ashley shopping and restaurants, and area beaches! The neighborhood also boasts phenomenal amenities including a clubhouse, fitness center, pool, dog park, playground, grilling/picnic area, etc... Come see this one today!
