Description

No HOA! In the well-established Boulder Bluff. Upon entering you will find hardwood floors throughout and ceiling fans in every room except the kitchen. The family room has a fireplace. It is open to the dining area. The galley kitchen has wood cabinets. The primary has a large closet and a full bathroom. The multipurpose room would make a great media room or playroom. The enclosed porch would make a great mancave. The converted garage offers plenty of storage room. The back yard is enclosed with a metal fence. You will also find a covered patio. The mature trees provide plenty of shade. The location is just amazing! Walking distance to park and elementary school. Just minutes to restaurants, shopping and hospital.
